ITT Completes Acquisition of Aerospace Contacts LLC

STAMFORD, Conn., July 6, 2026 – ITT Inc. (NYSE: [ITT](#)) today announced the completion of its acquisition of the privately held Aerospace Contacts LLC (Aerospace Contacts), a recognized manufacturer of critical, high-reliability precision contacts, for a purchase price of \$31 million.

Aerospace Contacts' product portfolio primarily consists of custom contacts, housings and shells, with specialized capabilities supporting high-mix, custom contact requirements for harsh-environment connector applications. The majority of its annual sales are generated from customers in the Americas serving the aerospace and defense end markets.

Aerospace Contacts is a long-standing supplier of ITT Cannon and will strengthen supply chain resilience as part of ITT's Connect & Control Technologies business while also positioning ITT for further growth in this highly strategic market.

About ITT

ITT is a diversified leading manufacturer of highly engineered critical components and customized technology solutions for the transportation, industrial, nutrition and health and energy markets. The company operates through three value centers: Flow Technologies, Motion Technologies and Connect & Control Technologies. Building on its heritage of innovation, ITT partners with its customers to deliver enduring solutions to the key industries that underpin our modern way of life. ITT is headquartered in Stamford, Connecticut, with employees in more than 40 countries and sales in approximately 125 countries. For more information, visit www.itt.com.
